About the University

The Islamic University of Science and Technology (IUST), Awantipora, J&K has been established through an Act No. XVIII of 2005 dated: 7th November 2005 passed by J&K State Legislature and notified by the State Government, through Jammu & Kashmir Government Gazette dated: 11-11-2005. While the university started functioning in November, 2005 the teaching programme was started in July 2006. The Chancellor of the University is the Hon'ble Governor of UT and the executive authority of the University is its Executive Council with the Vice Chancellors of University of Jammu, University of Kashmir and Baba Ghulam Shah Badshah University as members. The University is accredited by NAAC with Grade 'B+' and is recognized by University Grants Commission (UGC) under Section 2(f) and Section 12(b) of UGC Act. The Technical, Nursing and Architectural programmes offered by the University are approved by All India Council for Technical Education (AICTE), Indian Nursing Council (INC) and Council of Architecture (COA) respectively. The University has the membership of Association of Indian Universities (AIU).

The University came into existence with a mandate to advance and disseminate knowledge, wisdom and understanding amongst all segments of the society within and outside the State. It is also charged with creating an environment for learning, teaching and research in the sciences, technology, humanities and social sciences and that is in keeping with the highest standards of scholarship and higher education. People belonging to all sections of society are entitled to avail the facilities and opportunities offered by the University and there is no distinction on the basis of class, caste, creed, colour or religion.

Vice Chancellor
Prof. Shakil Ahmad Romshoo

Our Mission and Vision

Mission

- To promote research and training that is relevant to important contemporary issues and play our rightful role in the developmental processes of the nation.
- To empower our students to take up the mantle of responsible, ethical, and purposeful leadership in various professions of the modern world.
- To develop collaborative linkages with other institutions in the creation of new knowledge capable of meeting the changing needs of our society.
- To promote teaching that is student-centric and cognizant of the needs of a diverse student body.
- To uphold the values of compassion, camaraderie, inclusiveness and advocate respect for our environment.

Vision

The University strives to support an environment of interdisciplinary learning which can nurture a socially responsible student community capable of making a difference at the local, regional, and global level

Core Values

- Academic excellence and engaged learning environment
- Inclusiveness and respect for different ideas and experiences
- Participatory management and transparency
- Innovation in ideas and deeds
- Social responsibility and respect for nature

Location

The University is located in Awantipora, a small picturesque town situated on the main National Highway (NH1A) in Kashmir approximately 30 km south of the capital city of Srinagar and just adjacent to the famed saffron fields. This historically significant town was capital of Kashmir during the reign of Raja Awantivarman. The spectacular campus has the Himalayan mountain range on one side, the Jhelum River on the other and a beautiful grove of almonds cradling the main campus

Outreach

In order to supplement and complement the academic cooperative participation within the broad frame work of its vision and objectives and to promote and further the cause of IUST in developmental process of the state, it has established linkages with various Universities and other institutions of higher education across the globe. This among other things includes sharing of mutual facilities, faculty and curricular development programmes, consultancy, training, internship and placement programmes of the students in areas where such facilities may be required. This is of crucial importance in the initial developing stages of the University.

Islamic University of Science and Technology signed a tripartite MOU with Delhi University and University of Kashmir for mutual cooperation for the promotion of academic excellence.

IUST has signed Memorandum of Understanding (MoU) with Tokyo University of Foreign Studies Japan (TUFS) in order to achieve its common academic objectives. Besides, facilitating exchange of faculty and students, scholarships to the IUST students under the MoU, TUFS has installed Video Conferencing Equipment enabling the students to take lessons from international experts via video conferencing.

Other Universities / Institutions with which effective linkages have been developed include SKUAST-Jammu, University of Jammu, Jamia Hamdard -New Delhi, Bharti Vidyapeeth -New Delhi, Shiv Nadar University, Noida, Chaudhary Charan Singh University - Sirsa and other national and international institutions of repute.

The selection for the vacant/ remaining seats shall be made on the basis of marks obtained in the qualifying examination.

In case of two or more candidates having secured equal points/merit for admission to a particular programme, the inter-se merit shall be determined in order of preference as follows:

For B.Tech. Engineering (CIVIL, ECE, EE, CSE, ME, RA) Programmes

- i. Candidates having higher marks in JEE Main (paper I).**
- ii. Candidate having higher marks in Mathematics in the JEE Main (Paper-I).**
- iii. Candidate having higher marks in Physics in the JEE Main (Paper-I).**
- iv. Candidate having higher marks in Chemistry in the JEE Main (Paper-I).**
- v. Candidates having higher marks in the qualifying examination**
- vi. Candidate older in age to be preferred if marks at (i), (ii), (iii), (iv) & (v) above are also equal.**

For All other Programme Programmes

- i. Candidates having higher marks in CUET/ CMAT-MAT/ NATA-JEE Paper 2A/GATE/ University Entrance Test. (as applicable).**
- ii. Candidates having higher marks in the qualifying examination.**
- iii. Candidate older in age to be preferred if marks at (i) & (ii) above are also equal.**

REFUND RULES

- **Student is required to deposit advance tuition and other fee for the Semester/Year in which he/she is to engage in the academic activities.**
- **In case a student opts for withdrawal of admission, he/she shall forward his/her application for withdrawal through the concerned Dean / Head of the Department. Once the office of the Dean Academic Affairs receives the application, the admission of the student shall be deemed to be cancelled. No plea for re-admission shall be considered afterwards for any reasons whatsoever.**
- **In case a student chooses to withdraw from the programme of study in which he/she is enrolled, the following five-tier system for the refund of fees remitted by the student is to be followed:**

S. No	Percentage of Refund of Fees	Point of time when notice of withdrawal of admission is served to university
1	100%	15 days or more before the formally notified last date of admission.
2	90%	Less than 15 days before the formally notified last date of admission.
3	80%	15 days or less after the formally notified last date of admission.
4	50%	30 days or less, but more than 15 days, after formally notified last date of admission.
5	0%	More than 30 days after formally notified last date of admission.

- **In case of (1) in the table above, an amount of 5% of the fees as processing charges will be deducted from the refundable amount subject to a maximum of Rs. 5,000/-**
- **The University will follow the said system and the additional deductions shall not be above Rs. 5000/- in addition to the deductions mentioned in the table above which shall be as under:**
 - Admission Fee will not be refunded in any case.**
 - Full Security Fee shall be refunded irrespective of time of withdrawal.**
 - Hostel rent/Bus Fee is refundable on pro-rata monthly basis.**
 - There shall be a cancellation fee of Rs. 2000/- for cancellation of admission**

ADMISSION TO B.TECH./ DIPLOMA (LATERAL ENTRY)

The University has a provision for lateral Entry Admissions to Second Year B.Tech. Engineering / Diploma Engineering and B.Tech. Food Technology programmes, which are permissible up to a maximum of 10% of the "Approved Intake" which shall be over and above, supernumerary to the "Approved Intake", plus the unfilled vacancies of the First year.

The admission under Lateral Entry is available in the following programmes:

B.Tech. Civil Engineering	B.Tech. Computer Science & Engineering	B.Tech. Electrical Engineering	B.Tech. Electronics & Communication Engineering	B.Tech. Mechanical Engineering
B.Tech. Food Technology	B.Tech. Robotics & Automation Engineering	Diploma Civil Engineering	Diploma Electrical Engineering	Diploma Mechanical Engineering

DURATION:

B.Tech. Engineering/ Food Technology (Lateral Entry): 03 years (06 Semesters)

Diploma Engineering (Lateral Entry): 02 years (04 Semesters)

WHO CAN APPLY?

B.Tech. Engineering/ Food Technology (Lateral Entry):

Passed Minimum 3 years / 2 years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category SC/ST) in ANY BRANCH of Engineering and Technology. OR Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category SC/ST) and passed 10+2 examination with Mathematics as a subject. OR Passed D. Voc. Stream in the same or allied sector. (The University shall offer suitable bridge courses such as Mathematics, physics, Engineering drawing, etc., for the students coming from diverse backgrounds to achieve desired-learning outcomes of the programme). Note: B.Voc. course is treated at par with Diploma in Engineering and B. Sc. Degree for the purpose of admission in B. Tech./BE Programme through Lateral Entry.

Diploma Engineering (Lateral Entry):

10th + (2 years ITI) shall be eligible for admission to Second Year Diploma Course(s) in ANY branch of Engineering and Technology. (The University shall offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, etc., for the students coming from diverse backgrounds to achieve desired learning outcomes of the programme) OR Passed 10+2 examination with any of the three subjects (Physics/ Mathematics / Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship).

ADMISSION TO B.TECH. ENGINEERING (LATERAL ENTRY) FOR WORKING PROFESSIONALS

AICTE's introduction of B.Tech. programs for working professionals marks a significant stride in higher education accessibility and relevance. Tailored to accommodate the demanding schedules of working individuals, these programs offer flexibility without compromising academic rigor. By bridging the gap between theoretical knowledge and practical application, AICTE empowers professionals to enhance their skill sets, advance their careers, and contribute more effectively to their respective industries. This initiative not only promotes lifelong learning but also strengthens the workforce by producing well-rounded, industry-ready professionals capable of driving innovation and economic growth.

The admission is available in the following programmes:

B.Tech. Civil Engineering	B.Tech. Electrical Engineering	B.Tech. Electronics & Communication Engineering
--------------------------------------	---	--

DURATION: 3 Years (6 Semesters)

WHO CAN APPLY?

Passed Minimum 3 years / 2 years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category SC/ST) in ANY BRANCH of Engineering and Technology OR Passed B.Sc.
